

CYTOTECHNOLOGIST

Clinical Laboratory of the Black Hills is an independent pathology practice providing services to **Rapid City, South Dakota** and surrounding communities. Rapid City is the gateway to the Black Hills and offers a variety of four season, family friendly activities.

Opening for certified **Cytotechnologist, CT (ASCP) or equivalent** with at least 3 years experience. Thin Prep experience preferred. Perform diagnostic microscopic cytology procedures, specimen preparation and staining when needed and assist with collection of non-gyn specimens providing immediate evaluation of specimen adequacy when requested. Comply with all regulatory and best practices requirements and participate in achieving the quality assurance goals of the department.

Clinical Lab offers a competitive wage with an excellent benefit package including health, vision and dental insurance, 401(k) and Profit Sharing Plans and Disability insurance. No state income tax. Continuing education opportunities and relocation assistance is available.
